

These interiors exude a confidence that's underpinned by thoughtful selections.

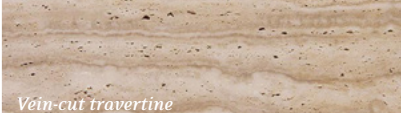

Elegant Grey marble, CDK Stone

Terrazzo MT5

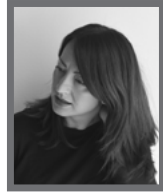

Idol terrazzo, Fibonacci Stone

Vein-cut travertine

Mutina Rombini tile

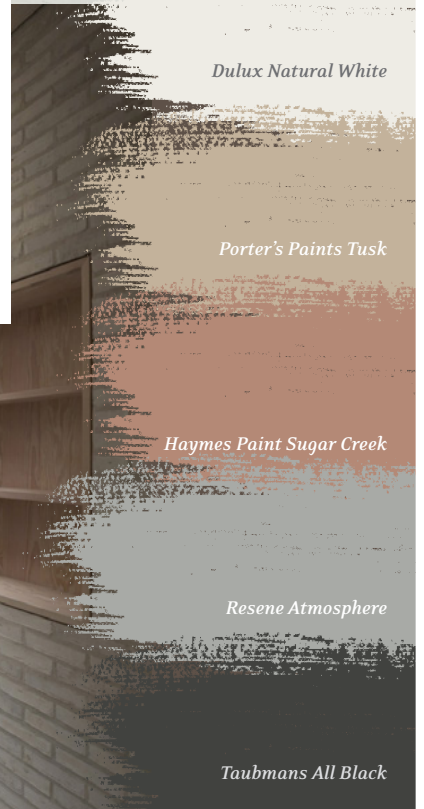

WARM *minimalism*

*Dana Tomic-Hughes
Founder, Yellowtrace*

'Warm' and 'minimalism' may not seem to go together; people often confuse minimal with cold or stark. But good design is often minimal and reduced to bare essentials, while feeling rich, textural and beautifully composed. Warm-minimalist interiors are natural, elegant and thoughtfully edited. Colours are soothing, spaces honest and materiality is celebrated.

Clockwise from top left Stairwell from LSD Residence by Davidov Partners. Studio Henry Wilson tallboy, JamFactory. Monument dining setting by Daniel Boddam. Surface scone by Studio Henry Wilson. Cassina side tables by Piero Lissoni. Bathroom from the Life House by John Pawson. Kristalia 1085 natural hide chair, Fanuli. Bedroom from LSD Residence by Davidov Partners. ▶
